

E		REINFORCEMENT STEEL & FABRICATION STEEL WORK		
1		Providing and Fixing in position H.Y.S.D FE500 Reinforcement of Tata Tiscon, SRJ, Shree Om or any other approved make for various diameters for R.C.C footings, foundation, slabs, beams, Columns, canopies, pardies, copings, etc. as per detailed designs, drawings, and schedule including cutting, bending hooking the bars binding with wires or tack welding and supporting as required complete.	40.13	MT
F		MASONRY WORK		
1		Providing second class burnt brick masonry 230mm thick wall with conventional / Indian standard type bricks in cement mortar 1:6 in toilet areas at all floor including striking and racking out joints watering and scaffolding complete .		
	a	From foundations till plinth level	7.89	Cum
	b	Plinth level to +4.20M	177.76	Cum
	c	4.20M to +8.40M	177.76	Cum
	g	Headroom	35.59	Cum
3		Providing second class burnt brick masonry 115mm thick wall with conventional / Indian standard type bricks in cement mortar 1:6 including striking and racking out joints, RCC coping in M15 at every 1m height, watering and scaffolding complete .		
	a	Plinth level to +4.20M	77.82	Sqm
	b	4.20M to +8.40M	77.82	Sqm
G		PLASTERING WORK		
1		Providing internal plaster 12 mm thk for walls & ceilings in toilet area at all floors in single coat in cm 1:4 with neeru finishing to concrete or brick surfaces in all positions including scaffolding & curing etc. comp.		
			2168.87	Sqm
2		Providing external plaster (12 + 6) mm thick for walls in cm 1:4 with spounge finishing to concrete or brick surfaces in all positions including scaffolding & curing etc. complete.		
			1501.08	Sqm
H		PAINTING WORK		
1		Providing and applying acrylic distemper interior paint of approved colour and shade to new surfaces in two coats including putty upto 2mm thick on wall to obtain a level surface, one coat primer , scaffolding preparing the surfaces complete.	2032.34	Sqm
3		Providing and applying weatherproof exterior all weather paint of approved colour and shade to new surfaces in two coats including one coat primer, scaffolding preparing the surfaces.	1501.08	Sqm
I		DOORS, WINDOWS AND OTHER OPENINGS		
1		Providing and fixing wooden flush doors with all necessary fixtures etc.		
	a		87.19	Sqm
2		Providing and fixing PVC flush doors with all necessary fixtures etc.		
	a		13.23	Sqm
3		Providing and fixing MS Fabricated window grill of weight 1.2kg/sq.ft. as per attached drawing including fixing, cleaning, applying one coat of red oxide etc. complete.	58.59	Sqm
4		Providing and fixing aluminium powder coated 3 track aluminium Sliding type windows and Z type ventilators made from 18 mm sliding series section and fixing in it 5 mm plain float glass fixed with EPDM gasket and wool pile.shutters shall be provided with concealed type locks, nylon rollers, sealing gaps between window & opening with silicon sealent etc. all complete.		
		Window	58.59	Sqm
5		Providing and fixing in position approved make aluminium ventilators with the glass Partly louver partly glazed window for toilet manufactured out of HE 9 WP high grade aluminium alloy sections conforming to I.S. specifications with subframe framing as per detailed drawing with mitered shutter joints sealing the crevices around the frame with approved sealant, cleaning etc.complete. (Only Jindal aluminium sections shall be used for these windows.)	4.82	Sqm

J		FLOORING WORK		
1		Providing and laying first quality glazed vitrified tiles of size 2' x 2' of approved make in floor at all levels including skirting in cement mortar (1:3) including cutting of tiles, finishing the chin joints with neat cement / white cement / color pigment matching with ceramic / vitrified tile colour including cleaning the joints, curing, etc. all complete as specified and as directed. (Basic rate @500/- per sq.m.)	937.26	Sqm
2		Providing and laying first quality antiskid tiles of approved make at toilet area in cement mortar (1:3) followed by neat cement slurry/paste including providing & applying araldite in combination of grit, cutting of tiles, finishing the chin joints with neat cement including cleaning the joints, curing, scaffolding, etc. all complete as specified and as directed.	70.74	Sqm
3		Providing and laying first quality glazed vitrified tiles for dado at all level for toilet area of Kajaria, H.& R. Johnson' or equivalent make in cement mortar (1:3) including cutting of tiles, finishing the chin joints with neat cement / white cement / color pigment matching with ceramic / vitrified tile colour including cleaning the joints, curing, etc. all complete as specified and as directed.	136.53	Sqm
4		Providing & fixing granite for door and windows frame with maximum opening upto 2.4m wide and 2.4m height etc.	101.17	Sqm
5		Providing and fixing granite of approved shade and quality for counter basin for toilet and kitchen area including fixing of kadappa tile, cutting, fitting, moulding and polishing etc complete.	7.18	Sqm
6		Providing and laying in position machine cut, machine polished Granite stone in treads, risers, landing,skirting and otta in cement mortar 1:3 bedding with fine joints, including cement floating, slurry/paste as reuired, curing, cleaning, including full rounding, polishing, edges, nosing, etc. all complete. The stone shall be in single length piece of 1.60m approx.	396.90	Sqm
K		WATERPROOFING WORK		
1		Providing and laying cement base waterproofing for terrace floor and toilet area using integral waterproofing compound as per manufacturer's specifications including brick bat coba laid to slope of 150 mm thick or as per specified by consultant and top coat of plaster to be smooth finished with false marking of 300 mm x 300 mm up to vertical wall and providing smooth finished wata at floor and wall junction with a drip mould at junction of wata and parapet wall plaster etc. complete as specified and directed.		
	a	Terrace Floor Area	532.88	Sqm
	b	Toilet Area	70.74	Sqm
L		SANITARY WORK		
1		Supplying , fitting, fixing,floor mounted European type W.C. of silk S standard closet of size 52 x 36 x 39 (starwhite color) with trap size S-28.5 with flush valve of chrome plating plastic seat and cover, rubber buffer and CP hinges, etc. all complete as specified & as directed.	8.00	Nos
2		Providing & fixing white colour Counter Wash Basin , angle cock, 12mm connection pipe, 32 mm waste pipe, waste coupling, pillar cock etc. work with necessary fixtures and fittings etc. complete	10.00	Nos
3		Supplying, fitting, fixing Urinal pot with top Inlet (Starwhite color), 32mm dia. CP brass bottle trap with extension piece up to waste pipe, stopcock, GI overflow pipe, CP spreader pipe, 10mm PVC flexible connector, etc. all complete as specified. (Basic rate of pot- Rs.1800/- each)	4.00	Nos
4		Supplying and fixing Auto Closing Concealed Urinal flush valve etc. all complete as specified.	4.00	Nos
5		Supplying, fixing and fitting brass body Bibcock of Jaquar make model no. 037 or other approved make including cap, all complete. (Basic rate - 550 Rs per number)	18.00	Nos
6		Providing and fixing Nahani trap conforming IS 5219 along with SS cover & fixed in cement concrete with CI soil variety plug bends of required arm including cutting holes in walls and making good the same in CM 1:4, etc. all complete.	12.00	Nos
N		MIS. WORK		
1		Providing and fixing of SINTEX water tank of capacity 5000 Lit. with all necessary plumbing and fixtures , as and where required.	1.00	NOS

7		Construction STP tank including excavation, providing 100 mm thick PCC bed, RCC raft with all the necessary shear wall as per the design, plaster channelling formed to suit pipe sizes and required slopes, providing with RCC slab as directed by the engineer in charge etc	5000.00	Lit
				7
		Add % for plumbing works	3.0%	6
		Add % for electrification works	8.0%	
			Total Amount in
